## About me

As a Fullstack Developer, I am proficient in both front-end and back-end technologies, making me a versatile and valuable asset to any team. I am a fast learner, always eager to pick up new skills and technologies to keep up with the ever-changing landscape of software development. I am passionate about what I do and am excited to start my career as a junior developer. I trust in my skills and enthusiasm, and I am excited to continue my professional development and make valuable contributions as a Fullstack Developer.

## Education

<b>Highschool Degree</b>	mar 2007 – nov 2013
Colegio San José de los Hermanos Maristas, Mendoza	
<b>Videogame Developer</b>	mar 2019 – feb 2022
